

springboard

Change what you want to change! Be who you want to be!

**A development programme for women and those who identify as women
with workshops in Glasgow on the following four Wednesdays:
27th February, 27th March, 24th April and 22nd May 2019**

Springboard is the award winning 3 month career and personal development programme for women and those who identify as women to enable them to have greater influence in their own lives and achieve their full potential.

It will enable you to work through the important issues in your life and encourage you to take control and take action to make the changes you want to make to be who you want to be.

Springboard is tried and tested - and it works!

Past participants report making exciting changes in their lives, including sorting out difficult relationships, taking the initiative, speaking out, setting and achieving their goals and generally feeling more confident.

Attending Springboard will put you in charge of your life and help you to create your own 'luck!' You will learn how to.....

- take stock of your strengths and achievements and build upon them;
- identify your weaknesses and turn them into strengths;
- develop the self-confidence to make things happen.

Springboard also gives practice in valuable life skills such as assertiveness, active listening, handling stress and balancing home and work.

The Springboard programme runs over three months with four one-day workshops on: the following Wednesdays:

- 27th February
- 27th March
- 24th April and
- 22nd May

The Workshops will be led by Gillian Neish who has a wealth of experience running programmes for women in a variety of organisations in the private, public and voluntary sectors, as well as open programmes.

Each workshop is filled with practical sessions to boost your morale and build your self confidence, as well as a guest speaker - a woman like you whose experiences and achievements will encourage and inspire you.

To reinforce and extend what you learn during these Workshops you will need to put in about three hours private study each week, with the help of the three hundred page Springboard Development Workbook. Much more than just a textbook, the Workbook is crammed with practical exercises, questionnaires, facts and ideas, all presented in a lively yet down-to-earth way. It is a key element of the Springboard Programme.

This international programme has been designed by women for women. It is pro-women, but not anti-men. We simply believe that women have a lot to learn from each other and can thrive in a supportive environment.

Springboard is for women at all stages of their lives. It's for you whether you are.....

working full time, part time; returning to work after a break; facing redundancy; planning retirement; or simply seeking a new direction.

What's more, Springboard can be applied to all aspects of your life - home, work, and relationships.

This Springboard Programme will be held in the Millennium Hotel, George Square, Glasgow G2 1DS.

The Programme fee is £528.00 per participant (£440.00 plus VAT @ 20% £88). 'This includes participation in the four workshops, refreshments on workshop days plus a copy of the Springboard workbook.
